## Commission Expert Group

**Name:** Horizon 2020 Advisory group for Health, demographic, change and wellbeing (E02942)  
(Active - Group which operates on a permanent basis)

**Abbreviation:** SC1 AG

**Policy Area:** Research and Innovation

**Lead DG:** RTD - Research DG

**Associated DG:** CNECT - Communications Networks, Content and Technology DG

**Type:** Informal, Temporary

**Scope:** Limited

**Mission:** The Group shall deliver an objective and reasoned assessment of the overall performance of the health, demographic change and wellbeing challenge concept and approach. It shall analyse what has been achieved and where the problems are, assessing any amendments needed to improve the functioning and impact of the current health, demographic change and wellbeing challenge, and also identify the conditions for launching further workprogrammes.

**Task:** Assist the Commission in the preparation of legislation or in policy definition

**Composition:** Academia (Research, Science)

Research

Science

Industry

Communication

Engineering (IT)

**Last updated:** 18 Oct 2013

## **Additional Information**

### **Activity Report**

The Expert Group will meet in 2013.

### **Selection Procedure (members)**

These experts have been selected from the DG Research and Innovation's database of experts on the 'Participants' portal' for which you'll find the weblink hereunder, according to EC decision C(2011) 1132 - OJ L75 of 22.3.2011. p1. The group is composed of seven experts to provide a variety of views and approaches. Collectively the experts cover knowledge and expertise from across the innovation cycle and across demand and supply. Each expert has experience from one or more of the thematic areas addressed by the EIPs. Industry/business expertise is present, as is knowledge about evaluation methods and practices. One of the experts will also act as a rapporteur drafting short summaries of the discussions held at meetings and preparing the final evaluation report.
